

RULES OF PROCEDURE

To be read carefully prior to completing legibly your registration form below.

Only members of the FFCT, and/or members of foreign cycling federations can participate on the rides. We have been obliged (to enable us to provide a well-organised event) to limit numbers (cyclo-tourists and their cycling/non-cycling companions) due to the physical limitations imposed on us by the amount of available accommodation.

1 – Participants ID

Members of the FFCT (and of foreign cycling federations) and their families (parents, children, partners, spouses, civil-marriage partners and children in guardianship).

We will regularly inspect the ID of participants and those accompanying them at the Event HQ, access to Semaine Fédérale accommodation sites and at the designated meet-up points. **ALL** participants, plus those accompanying them must be registered on the registration form so as to enable the issue of badges. Each person will have a badge that must be presented at the control points.

The use of electrically-powered bicycles (e-bikes) on the circuits is strictly limited to those members authorised to use such bikes by their federation. The use of motorbikes is strictly forbidden. Those contravening this regulation will be definitively excluded from the event by the organisers and this without any possibility of seeking reimbursement.

Only those members who are registered will receive the route card and a number, which must obligatorily be attached to the bike's frame.

2 – Entry fee

In agreement with the FFCT, entries received **after the 15th July 2014 will be subject to a 50% surcharge, except for foreign cyclists, as per the postmark or the send date of an e-mail. Incomplete or improperly-filled in registration forms will be considered as such, delaying registration.**

The 15 € promotional rate applies only to **family-licence holders of the FFCT** : partner, spouse, civil law partner or young person of between 18 and 25 residing at the same address as the first licence holder. **(Please ensure the correct data entry of your licence details)**

Cancellation requests for reasons of *force majeure* must be duly justified and in writing prior to the 14 July 2014.

After this date all cancellations, for whatever reason, will lead to the loss of the entry fee considered to be the organisers as an admin cost.

What and what does not qualify as *force majeure* is the COSFIC (Organising Committee's) decision and their's alone.

Services booked : Excursions, Meals, Walks & Rambles and the Cyclo-discoveries® **will not be, in any event, reimbursed for any cancellations after the 14th July 2014.**

Failure to hold a valid personal accident insurance will result ipso facto in the participant's automatic abandon of any such claims against the organisers and the FFCT.

3 – Young People

A reception area for young people will be established within the Event HQ site.

The registration form "Young People" is to be completed for each child and to be included with your registration dossier.

Please do not forget to complete paragraph 2 of the individual and family registration forms.

4 – Accommodation

The 2 camp sites specifically reserved for the use of participants at the Semaine Fédérale are both located in Saint-Pourçain-sur-Sioule, close to the Event HQ. The organisers remind participants that the campsites are temporary sites and therefore can not, unlike a permanent campsite, offer the same degree of services, nor of those found at a private campsite (i.e. No electricity and no wireless access available).

Other campsites, each of a maximum capacity of 50 tents, are also available in the municipal campsites in the neighbouring villages (radius of 3 to 10km), managed by the villages' association.

The municipal campsite in Saint-Pourçain-sur-Sioule (a recognised campsite for persons with disabilities) is reserved, in priority, for persons with disabilities (in relation with the FFCT's commission "Sport For All"). Please stipulate under the heading "Comments" on either the paper registration form or that found on the web site if booking by internet, that you require a place for a tent(s) at this campsite, subject to availability (a medical certificate stating your disability is obligatory).

Communal accommodation : breakfast is not included within the indicated rates. Neither are : sheets, blankets, quilts and pillows (you will receive upon arrival a copy of the rules specific to each communal accommodation site)

Accommodation with local inhabitants : please complete Page 2 of the questionnaire. You will receive an offer of accommodation with the receipt for your booking. Please do not overlook the booking fee of 5 € per person to cover the cost of searching for suitable lodgings. No lodgings will be provided without receipt of the fully-completed registration form.

For those wishing to be accommodated with others (family, friends etc) in campsites, dormitories or accommodation with a local resident please consolidate your registration dossiers, specifying your wishes prior to sending them all together by post or by specifying your wishes in the heading "Comments" for on line bookings. We will do our best to satisfy your request, subject to your early completion of the registration forms (post or on-line).

5 – Catering - Restauration

A quality catering service of principally local dishes requires organising well in advance. So as to properly cater for you and to assist the caterer's preparations, we would ask that you register as of now. Places are limited. The picnic on Thursday 7 August 2014 is strictly on a reservation-only basis.

6 – Excursions

Reminder : Registration with the Semaine fédérale is obligatory if you wish to participate on the excursions. Numbers are limited.

The price includes transport, entry (to the site(s) to be visited) and the services of a guide.

Catering : bring your own packed or picnic lunch.

For security reasons, animals are not permitted on excursions.

7 – Walks & Rambles

Reminder : Registration with the Semaine fédérale is obligatory if you wish to participate on the walks & rambles. Numbers are limited, we advise that

you book as of now. The services of members of the FFR (Fédération Française de la Randonnée – French Walkers & Ramblers Federation) will be provided on the walks. The price includes "transport" and visits. Catering : so as to enable participants to share their lunch with the cyclo-tourists, the cyclists' circuits include the designated meet-up point at each visit.
We recommend that you wear suitable clothing and good walking shoes/boots.
For security reasons, animals are not permitted.

8 – Cyclo-découvertes® Cyclo-discovery®

Places are limited, 2 different circuits are available each day, maximum 20 people per circuit. Bring your own packed or picnic lunch. Participants organise their own means of getting to the departure point. You will be guided at all times and the visits are included within the price.
Reminder : the Cyclo-discoveries are only available to members of the FFCT and members of foreign federations.

9 – Receipt

Important ! Acknowledgement of receipt (e-mail) will only be sent following registration of your **complete entry dossier** including :
• **the registration form**, correctly completed and checked, plus, if the case, the yellow registration form.
• **a cheque** (made payable to COSFIC 2014) for the total amount of the services and fees.
For registrations by post or by internet with no e-mail address, please include a self-addressed envelope for the acknowledgement of receipt to be sent by post.
For internet registrations with an e-mail address, the acknowledgement of receipt will be sent by e-mail.
For this type of registration, payment by credit card is preferable : easier, quicker and of course, security of payment.

All incomplete registration forms will not be dealt with, which will, quite obviously delay your registration.

Upon arrival, your dossiers can be collected as follows :
- **Friday 1st August between 14.00 and 20.00, Saturday 2nd August and Sunday 3rd August between 08.00 and 20.00.**
at the "Parc logistique des Echerolles" (Echerolles Logistics Park), rue des côtes, 03150 Saint-Loup (close to the Route Nationale 7 – RN7 main road)
- **as from Monday 4th August between 08.00 and 19.00** at the "Salle des arts martiaux" (Martial arts hall), rue de la Moutte (close to the Event HQ) in St-Pourçain/Sioule .
The Event HQ at the lycée Blaise de Vigenère will be open as from Saturday 2nd August at 14.00. This site is not accessible to vehicles, which are to be parked in the dedicated car parks found on the edges of town.
Communal accommodation sites will be open as from Saturday 2nd August at 10.00.
Access to any of these sites will not be permitted prior to the dates and timings as specified above.

10 - Security

Participants agree, at all times, to respect the Highway Code, plus the Organisers' verbal and written instructions and also those of the Organisers' official representatives, and also regulations relating to the environment.
Each participant must have on their person, at all times, their identification badge for any problems that may occur during rides etc.
The wearing of a helmet, at all times, is most strongly recommended.

11 – Ticket coupons

Ticket coupons may be used as means of payment at purchase points (catering & bar etc) at the semaine fédérale. They can be reimbursed, on request, at the end of the week only on site as per the details that will be clearly displayed (place, day, timings and minimum n° of coupons) at the Event HQ. No requests for reimbursements will be accepted after the Semaine Fédérale, nor by post.

12- Responsibility – Bike & other equipment Security

A locked building is available (free of charge) for storing participants' bikes. However, all bikes stored in this building are done so at their owner's entire risk. It is highly recommended that participants take all necessary measures to prevent the theft of their bike and insure their bike and equipment against theft.
COSFIC declines all responsibility in the event of loss, theft or damage to participants' bikes or their equipment and clearly reiterates that it has no obligation to providing theft-prevention measures, i.e. bring your own locks etc.
